Answer

(a): Software Technology Park of India (STPI), ERNET India & NIELIT have implemented the recommendations of 7th CPC for their employees.

(b) and (c): Yes, Sir. The implementation of 7th CPC is delayed in C-DAC due to paucity of funds. The organization is partly supported by MeitY by way of Grant in Aid and partly by self generated revenue. Efforts are being made to source the funds in order to meet the extra liability to implement the 7th CPC recommendations.
